FROM THE PRESIDENT'S CARRIAGE

February 18th was a cool and windy day but a good group of diehard members of WWDC braved the cold for the 2nd annual Valentine drive at T.L.C. Farm.

We can see the days getting longer & we know that Spring is just around the corner! (More Driving Time!)

Remember to check our Schedule of Events.

Keep on Driving!

VALENTINE DRIVE @TLC FARM 2/18/07

DID SHE OR DIDN'T SHE.....?

by; Tricia Hardy

Reba insists she did kiss Doug and he agrees with her, but it sure looks drawn on doesn't it!

Just what were Doug & Reba doing out there Faith?!

We had a really good day to use as an excuse to keep warm with kisses, it was pretty cold and kisses were in abundance when drivers & navigators returned from the scavenger hunt! Considering how cold it was, we had a pretty good turnout of (6) die-hard drivers! The trail got a little confusing in some places but everyone returned safely, 5 with all of the items to be scavenged. One of the items was a sample of VERY BRIGHT RED lipstick which one person had to put on and the other to receive a kiss that was VISIBLE (Tommy that means you!) to our Drive Judge/Timer. Faith had prizes for the fastest time, Linda & Mark Harbison & Kismet, the slowest time, Amanda Cochran & her navigator ? & Blaze. What happened there Amanda! Then There was a first place plaque to Tommy & Karen Cope with Andy for the closest to the averaged time and ALL of the scavenge items, with a second place plaque going to Jeff & Tricia Hardy & Precious. Coming in third (Averaged times) were Doug Prevette, Reba Wagner with Crescent & Ellie, fourth Linda & Mark Harbison & Kismet, 5th Amanda Cochran & Blaze and finally Pat Granzyk & Christine Fedderson and Nina. Pat missed a few of the items to be scavenged. Our safety clinic last month must have really paid off EVERYONE who found the quiz answered ALL the questions correctly, CONGRATULATIONS! Pat Granzyk won a really cute cuddly Gorilla in the drawing. Thank you Faith for a good cold winters day Valentine drive, and Tommy for allowing us the use of your Farm. Wasn't it really cold for last years Valentine Drive too? I guess you are going to have to keep thinking of things to keep us warm for next year Faith!

CCC TRACE PACE 2/22/07

by Tricia Hardy

Jeff & I attended the CCC Trace Pace Thursday Feb 22 at Alan Bridges Farm in Columbus, NC. We made it down there with out going through Spindale, but somehow managed to find Spindale on the way home! (see previous newsletter!) It was an absolutely glorious day. The trail was great with varying terrain, starting around a pond, then out to the street for a short distance, then into woods, pastures, jumps (we went around those) and some hill work. We had to state the time we thought we would take to drive the course (5 miles). Who ever comes closest to the time they declared is the winner. I guessed 1 hour and we did it in 58 minutes and 51 seconds. I don't know how I did in relation to the other 9 drivers but Jeff & I sure had fun. At one point

it got pretty breezy.....as we went by an open gate that decided to creek as it blew in the wind, but Precious just flinched and kept on going. It really was a nice place to "drive" but we had to travel 2 1/2 hours one way to actually "play" for only an hour.
