HALLOWEEN @ PARADOX

October 27th

The ghouls were out in force today, the weather was bewitchingly beautiful, cool & breezy (thanks to hurricane/tropical storm sandy on its way up the coast) keeping all the spooks a fluttering, and to top it off, Cobalt was missing!

We started with our annual parade of costumes, but this year we did it up in the dressage arena where the games were already set up. Penny Godbey & Calvin that little devil won the carriage costume, Martine as the UPS delivery person was delivered the Lead-line award and the spectator wearing a frog won.... you guessed it the Spectator award.

We had games that was only timed in case of a tie, but there was no problem there since the winner Brock smith had 25 points, and the next closest were Cynthia Dalton with 5 points and Meredith Smith with 5 points but they "stopped" to get that. (We were supposed to trot doing the obstacles). No one else managed to get ANY points!!!! Now the barrel race was another story we had 4 competitors and a 3-way tie (40 seconds) for first place, so we all ran the barrels again. Precious & I came in first with 35 seconds, Cynthia Dalton second with 36 seconds, Rebecca Gutierrez with 36 seconds and Penny Godbey with 38 seconds.

Now we had to try to figure out who stole Cobalt. There were clues.... (*there were?*)...out on the trail to help us find Cobalt. Jeff could only find the candy AND he ate all but one piece! Penny Godbey &

Karla Christy found the clues but could not figure out where Cobalt was. Nancy finally had to tell us.

Another great Halloween event @ Paradox. Thank you Nancy and all your helpers.

Wishing Pat Granzky a speedy recovery from her surgery on 10/24/2012, that's why she couldn't attend the Halloween event.

Our deepest sympathies go out to Pat Granzky, Jean Parker and Polly Hixson

Hearts go out to Pat Granzky as her dear horse Nina crosses the rainbow bridge.

Just to let you know that I lost my Ruby. She was down in S Pines, and quit eating and drinking. Vets did not have a clue what was wrong, so sent her to NC State. When she arrived there, she was in really bad shape. Something neurological. They do not know if a stroke, brain tumor, rabies (she was vaccinated a couple of months ago), or something else. But she was in such bad shape that after their initial exam, they asked my permission to put her down. I am so sad.

Sierra, Driftwood's Got There First, FD, crossed the rainbow bridge this morning in the arms of my son Nate, to whom she has been devoted for the last several years. Her mind has not been here awhile, and she told us it was time. Now free of seizures,

confusion, and pain, I can see her walking with Leia and other long lost friends. Rest in peace, Sierra.

We are still accepting nominations for Board Members. If you would like to be, part of the planning of future events and would like to submit your name, e-mail Tricia: tjhardy2@yadtel.net or call 336-751-0786 Tricia and I will add your name to the list of nominees.
