MAY 10TH EVENT

We had some storms come through late on the 9th and a chance of storms for our event on the 10th, but we got lucky and the Saturday storms held off until we were finished. It was a bit overcast but there was a nice breeze most of the day.

Woody & Charlotte spent a lot of time getting their new 18 acre farm ready for us, it is still "a work in progress" though! They have a fantastic arena where we held a mock Pleasure class, they are working on a water hazard and had about 1 mile of trail laid out for the carriages. We had 9 turnouts participating in the event. We had a "twisted" (slippery) cones course in the field behind the barn they are building. With all the rain the night before, it was a bit slick in places. Ellie fell to her knees, and Precious had a slippery moment. Nancy Faller & Cobalt won the cones, with Chris Peckham coming in second and Faith third. From there we went to the arena to do the mock Pleasure Class with a judge. We kicked in \$5.00 per turnout and the winner took all (\$30.00). Precious gave me an early Mother's Day present by winning, I have donated this back to the club to purchase more cones, see * NEWS below! Nancy Faller was second and Tommy Cope was third. After that, we went out on the trail. We did have a few incidents, Faith got lost on her way to the event, after Kai left, we got a call his truck broke down, so Woody sent people out with his truck so they could get Frodo home. Jeff used our US Rider insurance to get a tow truck out to haul Kai's Truck home after they

switched trucks to haul Frodo home. Then our newest member Cynthia Holbrook had not one but TWO flat tires after running over the blade section of a T-post! Again, Woody came to the rescue with a second tire. Poor Woody got something in his eye early in the morning and

was suffering all day with that. As you can tell here, he was exhausted by the end of the day!

DOES IT LOOK LIKE WE ARE HAVING FUN OR ARE WE CONFUSED????!!

Hi Tricia!

I had fun at yesterday's drive. Nothing like making a real first impression to my fellow members with not one but TWO flat tires!! What a great group to come through for me. I'm taking my trailer tomorrow morning to have it fixed as I owe Woody his spare tire!! Thanks to everyone for their help!!

For the Windridge show news: Nancy placed 5th in the prelim pony division. She was real happy with the way Cobalt performed. Claudia and Rose was 3rd after dressage in the training pony division and she and Tonya and Rose completed the marathon but unfortunately missed 'b' in one of the hazards. They were still happy to get thru and had loads of fun. Pumpkin and I placed 1st in the 'VSE' (very small equine) division. To our surprise we also won best training overall dressage score and reserve champion for the total overall training score. I want to be sure that none of my successes would have

been possible without Nancy's coaching and Antonio's training and all the encouragement and support from Tonya and Claudia. **We all** had a great time at the event.

Looking forward to the next WWDC activity!!

- Cynthia

* NEWS: We have researched the purchase of more regulation cones (like Nancy's) for the club. The following people have donated \$ for the purchase of these cones: Tommy & Karen Cope, Nancy Faller, Jeff & Tricia Hardy, Polly Hixson, Faith Bradshaw, Bev Duval, Woody & Charlotte Woodall, Pat Granzky, Susan Emmert. This will give us a total of 26 regulation cones (13 "gates"). Thank you all for your generous donations to the club. We will still need to get more balls though.
