HEAD WHIPS CORNER

Boy am I tired of the dry and the heat, we did get some rain **last night** which was great. The pasture and my horses are very grateful.

For those of you that did not make the picnic we had a great time and it rained but that cooled it down for us. We played frizbee golf and I think some (not me) are getting better. Food was great as usual. Thanks to everybody who came and helped cooked and set up and cleaned up.

It's not too early for you to start thinking about your picnic baskets. There will be prizes awarded.

1. The most money raised for a picnic basket
2. The most original
3. The best decorated.

Remember it needs to feed two people, basket and its contents go to the buyer. When bidding starts you will be asked to describe the contents or you can write something to be read out.

Stay cool and ride and drive when you can.

WWDC PICNIC AT ELLIS PARK

July 18. I guess we can't always have great weather. When we got to Ellis Park Saturday afternoon it was pouring! Susan Emmert and her husband had come all the way from VA. Then there are always the diehards who come no matter what. We ended up with 16 ½ people, (our newest member Shelly, brought her daughter and granddaughter) Tommy was our hamburger chef and did a great job. All the extras everyone brought were great too. The rain finally did stop and we were able to go out and play with the Frisbees on the Frisbee golf course....there were lots of laughs over that! As we were sitting around talking, a guy walked by carrying a weird back pack full of Frisbees....REAL Frisbees for the golf course. Faith co-erased him

(Stephen) to show us how the game should be played. What a difference when you have the right equipment! He could really make those Frisbees fly, and not into the woods or trees. I ended up purchasing a set of REAL golf Frisbees from the rec center for next time.
