BLOWING ROCK AUGUST 15-18, 2019

Tricia, Marilyn, Nancy, Antonio & Faith all went up to Blowing Rock for the long weekend. Marilyn & I arrived early and claimed our camp sites & stalls, the others arrived a little after 5:00 on Thursday. Just so everyone knows the office does close at 5:00pm.

Nancy and Antonio were the only drivers (Natiri & Cobalt) while Faith rode Dupont, Marilyn rode Fancy & I rode Precious. For those of you who were there last year the washed out areas have been repaired, including the hairpin turn. We had beautiful weather with the exception of a short rain

storm one afternoon, but we had already been out and were inside playing dice. Nancy had a very itchy palm and won quite a few games of dice so she decided she needed to get a lottery ticket. We forgot to get it while we were in town for dinner so Marilyn very graciously drove back into town around 8:00pm so we could buy tickets. Nancy won \$4.00!

Antonio had to leave Saturday but did return Sunday morning (with Jeff). The only problem was he took the keys to both of Nancy's trucks! Marilyn who lead the way up to Blowing Rock in her car, ferried us where ever we needed to go the whole weekend. Thank you so much Marilyn.

We all had a great time and played lots of dice in the afternoons and evenings, for that matter we did play in the mornings too before we rode/drove.

Marilyn's Blowing Rock Beef Jerky.
It was REALLY good!!!!

Smokey Beef Jerky {soy-free, gluten-free, SCD}

To slice a cut of beef into thin pieces, freeze it for an hour or 2 and then slice it 1/8 to 1/4 inch (.32 to .64 cm) thick, cutting across the grain. I like to cut the pieces into 4-inch (10.2 cm) square pieces, but you can cut them into strips

as well, about 6 by 2 inches (15.2 by 5 cm). It's a good idea to cut them all about the same size so they dry evenly.

If you want, you can leave out the maple syrup or honey for a sweetener-free jerky.

Ingredients

1 tablespoon ground pepper
 4 medium garlic cloves, peeled and minced or crushed
 ½ C Gluten Free Tamari OR Soy Sauce OR Coconut Aminos (*this is what Marilyn used*)
 1 teaspoon [liquid smoke](#)
 1 teaspoon maple syrup or honey (or other sweetener; optional)
 1 cup water
 2 pounds (908 g) lean beef, sliced thinly

Method

Place all the marinade ingredients, except the beef, in a bowl and whisk.

Place the sliced beef in large shallow baking dish and pour the marinade over the beef. Move the beef around with a fork to insure that all sides have been covered in the marinade.

Cover and refrigerate the beef to marinate for at least 4 hours, overnight is even better.

For the dehydrator method: Prepare the trays and use a teflon sheet or parchment paper over the tray to catch any drippings. Lay the beef out on the trays so the pieces are not touching. Set the dehydrator to 140°F (60°C) and dry the beef for 3 to 4 hours, depending on their thickness, turning each piece halfway through (after 1.5 hours).

For the oven method: Prepare baking sheets with parchment paper or other non-stick surface and lay the beef out across the sheets so they're not touching. Set your oven to 140°F (60°C) or as low as it will go (I wouldn't go any higher than 165°F (74°C)). Dry the beef for 3 to 4 hours, or shorter if the oven temperature is higher than recommended. (*Marilyn used 150°F for 8 hours and turned after 4 hours*)

Cool fully, and store sealed for a few weeks, or in the refrigerator for a few months.

Makes 2 pounds (908 g)
