NEW YEAR'S DAY DESERT DRIVE

Paradox Farm

We had another GOOD day to drive even if the ground was a bit sloppy in places. Hopefully this year will not be as wet as this past year, where we had to cancel more than ½ of our events.

Tommy, Polly, Faith, Kathy, Lucy, Nancy & Antonio, Tricia & Jeff and an old member (who plans on rejoining) Rita Lewandowski were all present. We met at the barn at 12:30 and followed Nancy so we wouldn't get stuck in any areas that might be too soggy. When we finished our drive, we unhitched and met in the hops building where Nancy had her "still" going (*to collect hops oil to make her beard cream*) to enjoy our deserts which of course were plentiful.

Rita talked about the Oak Ridge Park and the planning going on to incorporate horse trails. We hope to attend some of the meetings to encourage driving trails in this park. Rita told us the *planning board*??? dared her to find enough interest in horse trails by getting equines to show in the Christmas parade. They had to cut off registration by the time they had 42 entries, since there would not have been enough room for us to park all our rigs! Because of the rain the parade was postponed to the following weekend and they lost a lot of the people who had signed up to be in the parade including those of us from WWDC. Faith Nancy & I are planning on attending a meeting (next Thursday I think).

Happy New Year

*TREC Faith will be working with Linda Seul & Nancy to plan this event. There is a LOT to plan and set up and the weather will be cooler. This will be a 2 day event, hoping to bring people from longer distances. Nancy will provide stabling on a FIRST COME basis for those who are coming a distance. The general plan is Saturday Obstacles

with a pot luck lunch. Later a talk on the "Orienteering", which will happen on Sunday.

Bev updated us on the insurance. Star H still owes us a refund for events they charged us for but we never held. They are more expensive than the Agri agent insurance company she is talking to now (which HERO has switched to) Now that we have some dates picked for this year he can give us a quote.

Rita Lewandowski talked about the Oak Ridge Park and an upcoming meeting February 6th with the town council. She is hoping to get as many of us to come to this meeting as possible to prove we are willing to support carriage trails in this park. She says there is an Arabian breeder and a senator already "on our side" supporting these trails. If you can't attend this meeting you will be able to e-mail your thoughts to the town council. Rita sent me the info, it appears below.

Meeting adjourned 3:28pm (we did break to eat in between start & finish time!)

Hello friends and family ! I am in need of some support and help. I belong to a group that is asking our town to add a horse trail to the new town park property. It is a beautiful piece of land with grass fields and gorgeous trees.

We are asking everyone we know, you don't have to be an Oak Ridge resident but it will help if you are ! Please email or call our Town Council members (all 5 of them) and let them know you are interested in seeing horse trails, the show, and other equine related events come back to Oak Ridge.

I know your time is valuable, an email can be as simple as "I am in support of having a horse trail in Oak Ridge." You can say that you personally own horses or you do not. And we appreciate if you can specifically say that you are a resident of Oak Ridge if you are.

You can write one email and send it to all five council members at one time. Or you can call each one personally. This is just like voting, every call and email counts ! Please CC me on your email ; trloakridge@bellsouth.net

Below is the contact information for the Oak Ridge Town Council. Thank you for your time, and please, please spread the word ! ❤️ 🐾 ❤️
