Horse vs. Automobile

BEFORE you discard your horse and buy an auto it is well to think of the cost.

Figure how much you spend for harness and then think of what new tires amount to.

Figure up what it takes to feed Dobbin in a year and then think of gasoline, repairs and storage charges.

Dobbin is worth what you paid for him two years ago, where's the man with an auto that can say the same?

Come in and get a new harness instead of a new car and remember that Dobbin will take you through snow and mud as well as on good roads and that his carburetor is never out of order.

My sister sends her thanks for the plant. I will be leaving this afternoon, for Las Vegas 5/22/2021 to help her with her recovery and should be back by 6/4/2021. That is why this "skimpy" newsletter is so early
